## Building Confidence

The children are encouraged to open their own food and drink at lunch time. We work with them on the difficult items. Some examples: how to open the food container (including a thermos), putting the straw in the drink, peeling the cheese stick wrapper, and/or opening yogurt. There are certain things that you can do as parents to make lunch time easier. If you send an orange, most children cannot peel an orange (or do not have time to do it) – please send the orange peeled or sliced and put it in a baggie/container, start the cheese stick wrapper or gummy wrapper. Lunch at “big” school is very short so there is little time for waiting on an adult to open everything for them. We are building confidence which helps build good learners!

## Fall Enrollment

Preschool Enrollment will open to the public soon. Please make sure your child's spot is secured for next year.

Enrollment is secured only when **registration fee & paperwork** is turned in to the office.
