

Edge Park United Methodist Preschool

COVID-19 POLICIES

Arrival – Doors will be open from 9:00-9:10. Parents will line up outside the preschool entrance 6' apart. Sign In/Sign Out will be done outside. Daily temperature screenings and wellness checks will take place for all children. As we have always done, a child **may not** attend preschool if they have any of the following symptoms:

1. Fever at/above 100°
2. Diarrhea and/or vomiting
3. Undiagnosed/untreated rash
4. Persistent cough, unusual lethargy, and/or general signs of malaise
5. A communicable disease (pink eye, COVID, hand/foot/mouth, etc) or Infestation (lice)
6. A constant thick, green runny nose. This is easily spreadable to all children.

Children must be free from all above symptoms for **48** hours without medication to return. A doctor's note may be required in some cases.

In case of a confirmed positive case, we will close for 2 business days for thorough sanitizing. The child and/or family confirmed will remain out until recovered.

If you have been exposed/possibly exposed, keep your child at home.

We are asking all children to bring a water bottle from home this year. We will not be using our water fountain. Please label it with your child's name. We will refill it as needed. It will be sent home every day for washing.

We will continue to sanitize daily and will add extra sanitizing throughout the day as needed.

COVID-19 policies and procedures will be updated as needed. We are in a fluid situation and will need to be adaptable.

Our goal is to make this preschool year as normal for the children as possible.
