

10 Excellent Qualities of Edge Park Preschool

– Building Bridges to Future Successes –

1. Qualified, loving, dedicated, adaptable, & creative teachers!
2. Licensed by Texas Department of Health & Human Services.
3. Safe, nurturing environment – it is ok to make mistakes. We build confidence!
4. Challenging, developmentally appropriate curriculum for young children. Children are engaged & interested – learning mixed with social interactions & active play.
5. Social opportunities – play is an important part of learning! No electronics in our classrooms – communication is key!
6. The Preschool helps develop necessary pre-reading/pre-writing skills needed to begin kindergarten.
7. Small class size with one-on-one attention.
8. The family is valued – we offer several opportunities for fellowship with our families.
9. Christian values exemplified.
10. We make learning fun!
